In order to comply with Treasury Regulations 16A, the College developed a supplier database to be used by the Supply Chain Management Unit.

The purpose of this database is to give all prospective suppliers an equal opportunity to submit **quotations** to the College and the enhance transparency and equality. The database will also contribute to better administration and compliance with the PFMA and legal framework effective from 7 December 2011.

The following documents must be attached to this application form:

- Original Tax Clearance Certificate
- Proof of Company Registration
- Certified ID Copy/ies for all Company Members/Partners/Directors

If it comes to our attention that information is not valid or relevant at the date of generating the Request for Quotation, the College may, without notice, remove the Supplier from the Service Providers Database System.
